Course #	Title	Cr
CORE 400	Global Change: Strategies for Changemakers II	2
	Total Credits	2
*Must Be Completed before Beginning Nursing Class at MAC in August		

Dual Admission Agreement Mount Aloysius College and Penn Highlands Community College

Advantages:

1. Students will complete their general education requirements at Penn Highlands Community College except for an upper-level Faith and Reason course, an upper-level Aesthetics course, and Mount Aloysius-specific courses, including CORE 100 – What's the Big Idea: Effective Reasoning and Communication, CORE 200 - Strategies for Changemakers I, and CORE 400 - Strategies for Changemakers II. These courses are specific to the institutional learning outcomes and cannot be transferred.
2. Once the student transitions to Mount Aloysius College, they will take Mount Aloysius-specific courses. These courses in the final semester will count toward their associate degree at Penn Highlands and will be taken at Mount Aloysius College.
3. This collaboration will allow a seamless transition of students into the pre-licensure BSN program once students meet the required GPA of 2.5 as well as a 2.5 Cumulative GPA in their science courses which include: Microbiology, Anatomy and Physiology I, Anatomy and Physiology II, Nutrition (Diet Therapy for Nursing Students), and General Chemistry (Introduction to Chemistry).
4. Advisor at PHCC and MAC to ensure the students meet progression criteria into the pre-licensure BSN program.

Please note that all transfer courses must have a grade of C or better to be eligible for transfer to Mount Aloysius College.
