About the program:

The Medical Provider to RN Transition Pathway is for Paramedics, LPNs, and individuals with medical training/certifications through the military. Medical Provider to RN transition students will merge with nursing students already in progress toward earning the Associate Degree in Nursing (ASN) credential at Mount Aloysius College.

Transfer criteria:

1. Obtain a C or better on all transfer credits.
2. Demonstrate a minimum 2.5 cumulative grade point average on most recent post-secondary education as verified by official transcript
3. Achieve a composite score of 59% on the designated pre-entrance exam (ATI TEAS). The applicant has a maximum of two attempts on the exam to achieve a satisfactory score. The TEAS requirement is waived if the applicant holds an associate degree or a bachelor's degree from an accredited institution with a CGPA of 2.75 or higher.
4. Licensed in the State of Pennsylvania as an LPN or Certification as a Paramedic or Medical Provider Certifications approved through the ASN Chairperson to meet prerequisite criteria for military personnel
