

# PARAMEDIC

**ASSOCIATE OF APPLIED SCIENCE**  
**60 CREDITS**

The Paramedic degree equips students for the dynamic world of this profession. Through classroom exercises and extensive hands-on training, students gain the confidence and skills needed to excel in the real world as competent professionals.

Our Paramedic program, in collaboration with Conemaugh Memorial Medical Center's School of Emergency Medical Services, equips graduates with the necessary skills for immediate employment upon leaving Penn Highlands. Prepare yourself to make crucial life-saving decisions in the near future.

### **WE ARE ACCREDITED.**

Penn Highlands is accredited by the Middle States Commission on Higher Education. This means you will receive the same quality of education as major four-year institutions in our area.

### **WE ARE FAMILY.**

Our supportive staff and faculty are here for you. We are available to listen, offer advice, and provide support to help you succeed. With an 18:1 student-to-faculty ratio, the hands-on support you will receive feels like family.
